

Teamwork

Action Planning Worksheet

Which of your strengths are currently being used? Is there a way that these strengths could be maximized?

Which strengths, if any, are not being currently being used? How could those be leveraged to help support the team?

Your report identifies potential developmental opportunities in team situations. Can you think of a recent team experience where one of these may have limited your effectiveness? What would you do differently now?

When working with teammates who have very different type preferences from yours, what misunderstandings or tensions have you noticed? How could you adapt your approach to collaborate more effectively with these different styles?

Identify one challenge that if addressed, would have the greatest impact on your team. What are some steps that you could take to develop or address that challenge? What will your team notice as a result of you making this change?

Looking at your team's overall type diversity, what perspectives or approaches might be missing? How could you help fill those gaps, or what kind of team member would complement your natural style to create better balance?
